¹ The natural person to be registered is the party wishing to submit a registration (and subsequently, possibly an Application) for the auction. If the registrant and the natural person or legal entity to be registered are one and the same, then filling out the information for the natural person or legal entity to be registered is sufficient.

² The registrant is the person who fills out the Data Sheet.

Note: As per Section 8 of the Ápszr³, only persons and entities officially registered as stipulated in the Documentation and the Announcement may submit written questions regarding the Documentation. **Neither payment of the registration fee, nor the registration itself is considered an application to the auction procedure.**

INFORMATION

on filling out the registration DATA SHEET for the auction started under case number UF/25112/2020 related to the entitlements of frequency use of the 900 MHz and 1800 MHz frequency bands.

1. If the registrant and the natural person or legal entity to be registered are one and the same, then filling out the information for the natural person or legal entity to be registered is sufficient.
2. If the entity to be registered and/or the registrant are not natural persons, then it is also necessary to fill out the information for the natural person filling out the Data Sheet (that is, the person actually completing the registration process).
3. While the Documentation is available to the public and free to download in electronic format on the Auctioneer's website⁴, only persons and entities officially registered as stipulated herein may submit written questions about the Documentation, as allowed for in Section 8. (1) of the Ápszr.
4. Registration is possible from the date of publication of the Announcement, that is, 16 October 2020, until the application deadline, which is at 16:30 on 10 November 2020.
5. The joint condition of registration is to fill out this Data Sheet, and to send the completed Data Sheet to any of the contact details listed under Item 11 along with the proof of payment of the registration fee. If any of these conditions are not met, the registration is invalid.
6. The Auctioneer shall register those registered in accordance with the conditions set out under Item 5, and shall notify the registered party of the fact of such registration. In case of an incomplete or otherwise inadequate registration, the Auctioneer shall inform the initiator of the registration by identifying the deficiencies.
7. The amount of the registration fee is HUF 100,000 + VAT, totaling HUF 127,000 (one hundred and twenty seven thousand forints).
8. The registration fee shall be transferred to the Auctioneer's account number 10032000-00300939-00000017 held at the Hungarian State Treasury, specifying "MFCN2020 regisztráció" (MFCN2020 registration).
9. The Auctioneer shall also verify the crediting of the registration fee based on its own records.
10. The Auctioneer will send the registered person, organisation and the person or organisation performing the registration – according to the information on the Data Sheet – an invoice for the registration fee paid.
11. Please submit the completed Data Sheet and the proof of payment of the registration fee by any of the following methods:
